Introducing Second Look<sup>SM</sup>.  
It's your money, we think you should keep it.

Re: Your account ending in

Second Look is a pilot program that will automatically scan your account for things like

- Double charges
- Suspicious spikes in regular monthly charges
- Auto-renewals

Should we spot something, we'll send you an email notice so you can look into the charges. Since this is a pilot program, initially only some easy-to-miss charges and higher-than-normal bills may be identified.

Even better, you're already set-up to receive Second Look notices. Questions? [Visit us online to learn more.](#)

Capital One<sup>®</sup> Second Look—just another reason to expect better.
